Secretary's Story

Hello, my name is Harrison Orngard, and this is my Key Club story! My K-Family journey began in my freshman year with the Ames High School Key Club. As I enter my senior year and fourth year in the K-Family, I couldn't be more happy and thankful for the experiences and friendships I've made. During my freshman year, I initially had no intention of joining Key Club. However, I was warmly welcomed and encouraged to join my high school's Key Club by some of my closest friends, Carissa and Wenjun. Whether it was attending Fall Rally or participating in numerous fun service projects, I had a blast my freshman year due to Key Club. So much so, that I ran for the Vice President position of my Key Club. However, I would soon be discouraged to continue my Key Club journey, as unfortunately I was beaten by another candidate. Instead of quitting, I kept at it and made sure to pay close attention to the officers elected so that I could have a better chance the following year. Over the course of my Sophomore year, I also got the opportunity to more closely observe the work of friends on the District Board. I again had many great experiences and opportunities participating in my school's Key Club during this year. The following year, Carissa and Wenjun not only inspired me not only to run and win the Treasurer position of my school's Key Club, but also to obtain the Iowa At Large Lieutenant Governor position of the NE-IA District Board. My Junior year quickly became my most favorite year in Key Club, thanks to the expanding opportunities and experiences brought about by these leadership positions. I now look forward to a great year as president of the Ames High Key Club and secretary of the NE-IA district board. As I reflect upon my Key Club journey, I've learned the importance of staying adamant and persistent in pursuing my goals, despite the discouragement of failure.

Yours in service,

Harrison Orngard

NE-IA Secretary 2024-2025

Governor's Greeting

Hello, Nebraska-Iowa Key Club!

My name is Wenjun, and I am honored to serve as your district governor this year! Since middle school, I was inspired to join Key Club after seeing how passionate my older high school friends were about this organization. My love for Key Club officially sparked after I ran for lieutenant governor of my area at District Convention during my freshman year.

After serving as lieutenant governor, I served as district bulletin editor, finally leading me to district governor this year. I'm so excited to grow our district by encouraging club members to participate in district events and help them discover their love for Key Club. Not only do I hope to expand our membership by chartering new clubs, but I also aim to increase engagement through frequent communication with our existing clubs. I look forward to getting in touch with all of you as the school year soon begins. Please do not hesitate to reach out with any questions!

Yours in friendship and service,

Wenjun Liu

Governor's Project

This year, for my Governor's Project, I'm taking a different approach to the usual fundraiser model. I'm partnering with Schoolhouse, a Key Club International partner dedicated to reducing education inequalities. Schoolhouse is a platform founded by Sal Kahn (Yes, Kahn Academy, Sal Kahn) that allows students to tutor or learn various subjects. My project, **Learn and Lead Initiative: Nebraska-Iowa Key Club for Accessible Education**, encourages students to become tutors on Schoolhouse and boost Area spirit by hosting tutoring drives.

I'm hosting tutoring drives, a way for areas and clubs to compete in friendly competition for the most tutoring hours and involvement. This project mirrors a Key Club International campaign, Tutor-A-Thon, but on a district scale. I am waiting for Schoolhouse to send out resources to districts on how we can best support them, so stay tuned for more information!

Message from our NEW I-President!

Hi Nebraska-Iowa!

My name is David Robaina, and I'm thrilled to serve as the 2024-2025 Key Club International President. I joined Key Club as a freshman, and after three years of serving my community and meeting incredible students from all over the world, I am committed to ensuring that every member has the same opportunities I had to find a home in this organization.

I can't wait to see what Nebraska-Iowa accomplishes this year!

Yours in Service,

David Robaina

International Dues Increase

At the recent Key Club International Convention, members collectively decided to increase dues by \$3. Additionally, it was agreed that every four years, dues will be adjusted based on inflation to ensure the organization can continue to provide valuable resources and support to its members.

Youth Opportunities Fund

The first cycle of YOF Grant applications is due October 15! The grant ranges from \$250 to \$2,000 to support a Key Club's service project. This fund is a fantastic opportunity to jump-start a service project your club has wanted to pursue. Visit [this link](#) for more information regarding qualifications.

Key Club International

Preferred Charities

Thirst Project

Thirst Project hopes to educate the next generation by arming students with information about how they can be a part of social change, make a difference and encourage others to join in the effort.

UNICEF

UNICEF is the only organization of the United Nations dedicated exclusively to children. Working with other United Nations bodies, governments and non-governmental organizations, UNICEF helps to provide for children's needs in more than 150 developing countries through community-based services in primary health care, basic education and safe water and sanitation. KCI's partnership with UNICEF supports the **Major Emphasis: Children: Their Future, Our Focus.**

How can your club help support KCI partners?

You can help support KCI partners and charities by hosting fundraisers, educating your home club about these resources, and participating in events hosted by these partners. For example, Trick-or-Treat for UNICEF is a popular way for clubs to support UNICEF! Additionally, as mentioned above, the Governor's Project supports Ericka's Lighthouse this year.

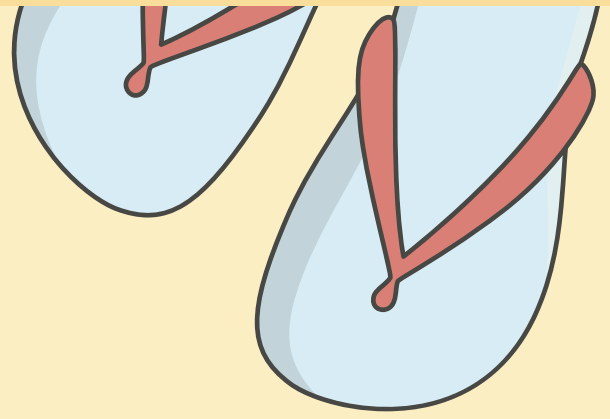

Club Spotlight

Nevada Key Club members gathered various items and used funds from their budget to create hygiene kits, which were then donated to a local homeless shelter. The primary aim was to provide essential hygiene supplies to homeless individuals in nearby communities, addressing a critical need. A representative from the homeless shelter attended their meeting, sharing insights about their facilities and the importance of the donation. For future projects, they aim to ensure an equal amount of supplies for each item to create even more complete kits.
